Re: **Final Work Plan for PFAS Expanded Site
Investigation, SEAD-25 and -26**
Seneca Army Depot
Site #850006
Romulus, Seneca County

Dear Ms. Sweet,

I have completed my review of the February 2019 *Final Work Plan for the PFAS Expanded Site Investigation (SEAD-25 and -26)* for the referenced site. Based on the Army's responses to DEC/DOH comments on the draft work plan (Appendix E), my previous comments (via letter correspondence to you dated January 11, 2019) have adequately been addressed and I find the revised document acceptable.

If you have any questions, please contact me at (518) 402-7860.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark S. Sergott".
